支え合い活動を積極的に展開

快適な暮らしを実現するため、積極的な地域活動を展開しています。例えば「ONB(オンブ)の会」は子どもを守る地域ボランティアで、小学生の登下校の付き添いや、交通量の多い場所での見守りなどを行っています。また「いきいき花クラブ」は、定期的に花を植え替えて美しい景観づくりのために尽力しています。このような地域住民の心の通った活動が、まちを支える大きな力となっています。

Actively implement activities to support one another. Community activities are carried out aggressively so as to establish comfortable living. For instance, "ONB no Kai (ONB group)" is a local volunteer group working to ensure the safety of children, and the members accompanies children going to and coming home from elementary schools and watch them at heavy

traffic locations. Another example is "Iki-iki Hana Club (lively flower club)," which plants new flowers on a regular basis in an effort to develop beautiful scenery. Such heartfelt activities of local residents are contributing in large part to supporting the community.

Work together for comfortable living days.

What becomes reliable in an emergency is community bonds. In order to establish a warm-hearted community, each resident must voluntarily work and achieve comfortable living in the town.
